

PROFILE

I have a strong passion for Real Estate. With the help of many industry leaders, I was able to grow my portfolio exponentially and acquire a large amount of knowledge in the industry. Although I already take some of my time to assist new investors, volunteering for the position of Treasurer is one other way to give back to the community that provided me so much. My track record and solid financial acumen will allow me to produce immediate result for OREIO and contribute to the long-term success of the organization.
