

Christian Szpilfogel is an experienced real-estate investor and entrepreneur. With a background in various executive positions in both private and public technology corporations, Christian refocussed on a new venture through investments in real-estate and tech start-ups. Currently serving as the Chief Investment Officer of The Aliferous Group, he has proven to be a thriving real-estate investor with burgeoning holdings in multi-unit residential and commercial properties. Learning from his own prosperity, he believes in giving back to the community by spreading his knowledge and helping others develop their own personal wealth-strategy to success.
